MEMORANDUM FOR RECORD

Walt Levison called concerning the transfer of the two 66" Lanyard lenses to [REDACTED]. He registered a mild objection to furnishing lenses to a competitor. I told him I would consider Iteks feelings next time; however, he agreed that the lenses are government property and we can do anything we like with them.

ALBERT W. JOHNSON
Major, USAF

GROUP 1 EXCLUDED FROM AUTOMATIC DOWNGRADING AND DECLASSIFICATION
